

Dear Supporters,

The Hope Foundation, with the support of you, our partners, and our communities, is excited to share that we raised an astounding \$560,000 in 2023!

With this generosity, we were able to contribute even more to Hope in the support of people with disABILITIES. Here are a few examples of how your dollars made an impact last year:

- Supported over 100 individuals to attend community event through our 2023 Raise the Region® fundraising campaign. To support Hope in 2024 visit <https://www.raisetheregion.org/organizations/hope-enterprises-inc>.
- Granted over \$18,000 to MaxWorx, Hope's integrated employment division, to support job retention efforts for people with disabilities.
- Granted \$10,000 to support Hope onboarding an Electronic Medical Record across the organization's 38 Community Living Home and 5 Lifesharing Homes.
- Granted \$20,000 to onboarding a new data benchmarking tool to be used across Hope's 10 county footprint.

In 2024, The Hope Foundation will continue to focus on donor stewardship, planned giving, and raising funds for present and future endeavors at Hope. We thank you for your support and look forward to another impactful year of *enhancing the lives of people with intellectual disABILITIES*.
